Stay at home jobs – Make money from home

Stay at home jobs have also been a thing in the past. Even before the industrial upheaval, a lot of people are already working from their homes or own a small enterprise close to their abodes. So this just goes to show that even beforehand people were acquainted in working from home. At present, home based jobs have become even more popular with the advent of the internet technology, making transactions and ventures much easier and swifter by the minute.

Public Relations Manager

Median Annual Telecommuter Salary: \$62,200

Like market research managers, PR managers spend a considerable amount of time on the phone, making it easy for them to do their jobs, creating and managing the public image of their clients and companies from home.

Market Research Manager

Median Annual Telecommuter Salary: \$71,900

Market research managers help companies determine how much their products are worth, identify potential customers, and help set prices that keep customers happy and the company competitive in the market. Because their work can sometimes be done over the phone or online, market research managers can occasionally arrange work-from-home jobs.
