3 DIALOGUE

ダイアログ

Directions: First repeat after your tutor and then practice each role.

Jill : Susan, you look worn out. You've been taking on too much work lately if you ask me.

Susan: Yeah, I am a bit tired. I've been a bit paranoid since I lost that data last month and I want to get back into the boss' good graces. I suppose I should slow down a bit. Things have been hectic at home too, which doesn't help.

Jill : You'll burn yourself out, if you keep working like this. I wouldn't worry too much about Ms. Phillips. Her bark is much worse than her bite in my experience. **Look, why don't I handle the data for now.** I don't have much to do today anyway, and two heads are better than one. You go take a break.

Susan: Are you sure you're not too busy? I don't want to get you into any trouble with Ms. Phillips, too.

Jill : Don't worry. I'm waiting for Neil to get back from his meeting with the new clients. I can't do anything until he does, so I could help you in the meantime.
