Your Brain or Luck?

There are so many game and quiz shows on TV these days. Many of them offer amazing prizes or large amounts of money if you win. They are selling a dream and everyone dreams of winning the grand prize. You could buy a new house or a big boat, even travel around the world. It's such an attractive idea.

It looks easy on TV but if you want to win you need to have a great deal of knowledge and skill. You must memorize so many facts about history, science art and culture. You must become an expert in general knowledge. Some people become professional game show participants.

Game shows can be great entertainment. Some are simple and boring others are complicated and exciting. They can be very entertaining and dramatic which is what makes them so popular. Everyone has their favorite game show and dreams of winning the grand prize. But only the lucky few ever get to win. Most people will have to be content with dreaming.
