Lesson 18 食べ物の好みやアレルギーについて話す Is there something you dislike?

Conversation

Customer : Hello, this is our first time here. What do you recommend?

Waiter : We have a wide selection of Chinese inspired cuisine on our menu.

May I ask, do you have any allergies? Is there something you dislike?

Customer : I do have a mild allergy to some shellfish, but otherwise I'm not so

picky. My wife is not a fan of fish or green peppers.

Waiter : Then I would recommend one of our fried rice dishes. We also have a

black bean stir-fry. It contains neither fish nor green peppers.

Customer : Do you have any spicy dishes? I need something to warm me up.

Waiter : We have spicy tantanmen. It's a spicy noodle bowl with fresh greens

and ground pork. It's quite spicy. It contains chili flakes.

Customer : Sounds good to me. I like a challenge. I'd like an order of pot stickers

too please. They have that spicy dipping sauce right?

Waiter : Right, it's spicy and sour mix of chili oil and vinegar.
